JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

# MEMBERS

This list has been prepared at A. L. A. Headquarters, and is, so far as possible, correct to Dec. 31, 1919. The names of honorary members are printed separately, names of libraries and other institutional members in Gothic type and of life members in capitals.

The number following each name is the registration number in the order of joining.
